God's Covenant Love
Mark G.

We celebrate God's faithfulness tonight .. God is a God of covenant . Exodus 24 reveals this. He reveals himself as a God who keeps his promises to humanity. Infused more Holy Spirit riches of His resurrection

Thank you for coming! We Celebrate all God has done in the 40 years of the Catholic charismatic Renewal, .

John 6:63 The Spirit gives life...(ability, it is Spirit that makes us able) the flesh counts for nothing .. The words I have spoken to you are spirit.. and they are life.

The Spirit is here to give life... ZOE life...to reconnect hearts to the Father – Spirit is poured out into our hearts
Col. 1, 27&28 God has glorious riches in Christ for you.

God is doing more!! Our part is to believe in Jesus working..

Three glorious riches that the Holy Spirit wants to pour into our hearts that will move our hearts in faith to loving the Father of our souls.

1. To Give faith in the work and working of God... to reconnect us .

Pope Francis - Pentecost preached on the memory connection to the Holy Spirit... "One of the works of Holy Spirit is to bring to Memory" – to bring to mind truthGod has already done a work ... St Basil wrote At the fall we got disconnected to the Father.. but in Holy Spirit returns us to paradise....

The Holy Spirit is here in our midst and doing the work of the Father... the evil you see in your life will not prevail!! It will not reign in our lives...

I'm going to give a prophecy right now? God reigns and will reign forever! Jesus was sent to die on Cross and he redeemed me.....right now Jesus is at right hand of God the Father . Do you have a share in Risen Lord? Yes!!

2. To Give faith in the Risen Christ.. = Connected .. Jesus has risen and by this fact we are connected to heaven above... The power of Resurrection is open to all ... Refuse the lie to disconnect ... to look within..to rely on self.. to focus too much on self pursuits.....

Example: It's like your cell phone coverage... the Resurrection signal is now always sent? Sent from Holy Spirit to His Church to humanity...

What can I do tonight to strengthen the Resurrection signal?

1. Call on Holy Spirit. Ask him to lead you... Listen!! Obey!!!
2. Sacrifice of Praise...
3. Read the Word ...heart of God revealed....Examination of Conscience
3. Share the faith... give testimony or speak up today

Let His word dwell richly in you - in your forefront of our mind. By the power of the resurrection of Jesus I can come alive !!!!

Million dollar Question: Is the Resurrection life of Jesus Christ bigger than all my problems? Bigger than self life – self introspection, thoughts against people? bigger than success drives, than the trials and troubles of the week, than your sin, the opinion of man? Yes it is. We may not feel it but it is truth. Or are the opinions of man, fatigue of day, fatigue of life trials and stresses of the week bigger than the Risen Lord?

Jesus says tonight... **MY RESURRECTION POWER has overcome**

God's Covenant Love
Mark G.

3. Give Faith in the faithfulness of God: = God's love never fails, never gives up, never runs out on us! Connection to our hearts is strong

2 Cor 3:17 Now the Lord is the Spirit – and where the Spirit of the Lord is there is freedom.... How? Faith...

Phil 2:13 ... says "for it is God who works in you to will and to act according to his good purpose".....and the good pleasure of the Father

Praise... a heart that rejoices – is grateful....rejoicing

I am learning to live in the present moment alone... not introspective, if I messed up don't whip yourself with harsh thoughts and regrets but trust in the loving Shepherd , count on God to and counting on the Holy Spirit to keep me connected to God...

Trust that the Holy Spirit will communicate to us the Life of Jesus. We need to trust that he will guide us during the day to do the next thing... the next person to love ... the next thing that is our duty...

Prayer: "Oh heavenly Father, we praise you that you covenanted yourself to a feeble people – In your mercy, allow your children to come unto you... to enter your kingdom of your Lordship... Enter your holy fellowship..... your humble holy heart....the atmosphere of love..... Come with fresh showers of heaven for lives with fresh grace awakening.... We praise you for your fullness of love... your word reveals- You are the loving Father, and you rejoice in us coming to you and asking of you.....to receive of fullness of life from you....as we gather as your people, we ask ... show us the way of the Spiritteach us how to walk in the fullness of Spirit ...teach us to obey your Spirit again We promise to give away all you give and not use for our glory.....you have given the Church that we might obey your promptings of the heart and obey you today.
