The gift of prophecy is fundamental to the identity of every Christian. We are a “Prophetic People” (Vatican II) baptized priests & prophets & kings. Prophecy is the gift of receiving from God His inspired message: Words which have power to exhort, encourage and comfort in the power of the Holy Spirit. They can bring insight and wisdom and reveal details about a person’s life and God’s anointing and plan. When mature, prophecy can even impact the course of history and affect the material world. The prophet Joel prophesied a time will come when the Lord “will pour out my Spirit upon all flesh” (Joel 2:28) St. Peter in Acts 2:17 explains to the crowd that Pentecost was the fulfillment of Joel’s prophecy. Ever since, the grace of prophecy has been available to every generation of Christians. In our day with the multiplication of so many false prophets, God is releasing the authentic gift of prophecy in a wonderful way in his Church to reveal his presence and glory, build up his people and to win the hearts of unbelievers. (1 Cor. 14:24)

This school will offer you teaching and training in the gift of prophecy, word of knowledge and wisdom. There will be several practical workshops giving participants the opportunity to put into practice what they are taught and receive prophetic revelation encouragement and comfort from others.

*Please pick up a brochure from the prayer meeting table and **SPREAD THE WORD** about this life-changing conference!*
