

Mother of God Community Affiliated Members Agreement

I, an affiliated member of Mother of God Community, desire to live my Christian life close to the heart of the Community, participating in the grace of the Community, and living in accord with its charism insofar as possible.

I will strive to love God above all things and make him loved, committing my life to his purposes in joyful expectation of the coming of Christ.

I am willing to decrease so that Jesus can increase in me, to die to myself by the power of his Cross so that he can live in me, and find my joy in a sincere gift of self according to my state in life and daily circumstances.

I will share in the renewal of the Church by living life in the Holy Spirit, a life of continual conversion, of praise, adoration, active charity toward my neighbors, with childlike trust in God, and with Mary, the Mother of God, as my model.

I will seek to develop a life of daily prayer, scripture reading, examination of conscience and repentance, as well as active participation in the life of my church.

I commit myself to being united in prayer, fraternal love, and service of the Church with Mother of God Community.

As an Affiliated Member of Mother of God Community, I humbly seek the grace to be faithful to the call that God has placed in my heart. I want to be like the woman with the alabaster jar, who poured out on Jesus what was most precious to her. I desire to give my life to God in response to the love he has manifested to me through his Son.
