ST. PAUL STREET EVANGELIZATION (SPSE) is a grassroots, non-profit organization dedicated to responding to the mandate of Jesus to preach the Gospel to all nations by taking the Catholic Faith to the streets. As an on-the-street Catholic evangelization organization, SPSE provides an avenue for people to share the Person of Jesus Christ and the truth and beauty of the Catholic Faith with a hungry culture.

Nancy and Bob McCambridge head up the local chapter of SPSE that primarily ministers to people at the Lakeforest bus depot on Lost Knife Road. Armed with a simple sign, pamphlets, miraculous medals and rosaries, they employ a non-confrontational method rooted in joy, maintaining a peaceful presence and evangelizing through conversation. They have found this approach to be very effective at strengthening the faith of practicing Catholics, bringing back into the faith fallen away Catholics, and clearing up misconceptions about the faith held by non-Catholics. Their motto is "to listen, befriend, proclaim the Gospel and invite" a person to conversion, prayer and community.

Please contact Nancy at nancymccambridge@gmail.com for more info and to get involved in this ministry.
