### **Upcoming Worldwide Marriage Encounter Virtual Experiences**

From Ray and Dawn Glennon: *We attended our Worldwide Marriage Encounter (WWME) weekend in October 2019. It was a fruitful and transformational experience for us. Though our weekend, we rediscovered each other in a deeper way and gained new tools and insights to enrich our marriage. We've continued to strengthen our relationship and draw closer together by participating in the Marriage Encounter community. We'd like to encourage other married couples to give themselves the gift of a WWME experience.*

During 2021 there will be **two virtual WWME experiences** in the DC/Baltimore region. The same material is presented in both experiences, but the schedule differs. You might find that one approach better aligns with your life and personal schedule. **The first experience takes place in seven virtual (Zoom) sessions on Monday and Thursday evenings from April 12th until May 3rd.**

**The second experience, also virtual, will be held during the weekend of November 5th to 7th,** beginning on Friday evening and ending on Sunday afternoon.

**Pick up a brochure on Sunday night**, which describes what happens at a WWME experience and also has information about registration.. To discuss this further or to learn about their experience, don't hesitate to **contact Ray at 443-458-8044 or Dawn at 443-878-7187.**
