Thursday, November 5, 2026, 7:00 PM • Mother of God School Gym

For centuries the Catholic Church has developed an understanding of parents as the "primary educators" of their children. How does this work when we send our children to school? Do parents get relegated to a secondary role? In this practical discussion, we will explore together how to empower parents to take steps in their home to guide and support their children's intellectual and moral growth.
